What is costing you appointments

10 gaps measured

"sedation dentistry for nervous patients in Austin, TX"	TIER A	Cedar Park Smiles
"who is the best emergency dentist near me"	TIER A	Cedar Park Smiles
"affordable dentist in Austin, TX with evening appointments"	TIER A	Riverbend Dental
"best dentist for a toothache in Austin, TX"	TIER A	Nobody at all

Your first three moves

ordered by impact

Competitive position — 2 weeks
Build comparison and service pages that cite the same authoritative sources those rivals are cited from.

Content structure — 1-2 weeks
Publish one page per priority treatment, each with its own schema, FAQ and internal links.

High-intent visibility — 1 week
Build service pages that directly answer the top 5 missing prompts, plus a neighborhood page for the practice's primary area.
